New Aesthetics

Mark Tribe, Alexander Galloway, and Martin Wattenberg, StarryNight, 1999. A landmark interface which allows the visualization of the listserv dedicated to online artists, Rhizome, of which Tribe is the founder. In this constellation, brightest stars account for the most-read articles and a mapping of interrelated stars appear when searching keywords, e.g. surveillance, © [courtesy of the artists](#).

Playdamage

"Playdamage.org is an abstract multi-sensory journal exploring the parameters of visceral, pre-cognitive expression. Really, it's just a place where I can play around and break things without having to explain why." Curt Cloninger
